My first sexual experience was... with myself. I suppose this is out of the question in most cases.

My **MOST MEMORABLE** sexual encounter was that one with a transexual escort in a clunky flat in King's Cross. It was the first time in my sexual life I was a man and a woman at the same time.

A **MALE EJACULATION** can reach

50 km/h the first shot.

A **FEMALE ORGASM** can reach the cerebellum at a velocity of

400 KM/H

There are more than 150 pornography sub-genres. Small penis pornography refers to movies with men that have erect penises smaller than 4 inches.

Porno-movie plot 1: An ugly woman is seduced by a cult. The pass ritual consists in participating in an orgy with monks and dwarfs. She gasps and gulps and so eventually metamorphoses into a hottie monk.

Porno movie plot 2:
**A WOODCUTTER.
LITTLE RED
RIDING HOOD.
A FOREST.
THE END.**
